Loonies for Lent

Almsgiving is a common practice during Lent. Moved by the sacrifice of Jesus, many Christians respond to the needs around them by intentionally giving their time, talent, and treasures to others. Film canisters will be available at the Welcome Table—please take them home and fill them with your loonies (or toonies or bills!) and return them Easter Sunday. **All donations will go to establish a fund to support the work of our Missions Committee.**

Parish Movie Night
Friday, March 4, 2016
7:00 PM - 9:00 PM

Kingston House of Prayer ~ 447 Division St.

"War is as old as human history," an aged widow named Miss Clara narrates in the opening moments of **WAR ROOM**. "We fight for power. We fight for riches. We fight for rights. We fight for freedom," she says. "There always seems to be something to fight about."

That's as true for individuals as it is for countries. Yet despite the reality of relational conflict, Clara observes; "Very few of us know how to fight the right way. We fight each other instead of recognizing our common spiritual enemy," she says, "the thief who comes to steal, kill and destroy." If we hope to thwart the enemy's schemes, to counter his cunning strategies to divide us, we need a battle strategy—a strategy that can come from only one place: time spent asking for God's guidance in our prayer closet—or, as Miss Clara calls it, her "war room."

From the award-winning creators of **Fireproof** and **Courageous** comes **WAR ROOM**, a compelling drama with humour and heart that explores the power that prayer can have on marriages, parenting, careers, friendships, and every other area of our lives. **WAR ROOM** is a vivid reminder that prayer is a powerful weapon.

Come out and beat the winter blahs!!

Emotionally Healthy Spirituality DVD Study

"The thief comes only to steal and kill and destroy. I came that they may have life and have it abundantly." (John 10:10)

Are you living an abundant life or have you settled for something less? Are you maturing in your faith or staying the same? Would you like to go deeper in your relationship with God or are you satisfied with what you have? Christian faith and spirituality, without an integration of emotional health, can be deadly—to us, to our relationship with God, and to the people around us. However, emotional health and contemplative spirituality, when interwoven together, can transform the hidden places deep beneath the surface of our lives—allowing us to not only grow in our faith, but better live the abundant life that Jesus has for us.

This 8-week DVD study will take participants beyond merely reading about emotional health and spirituality to introduce them to a life with God that goes beyond the "tip of the iceberg spirituality." It is a powerful 8 week journey of transformation that will equip you with tools to develop a deeper interior life with Christ.

Join us **Friday's** from **10:00 AM - 11:30 AM**, at the Kingston House of Prayer (447 Division St.)
