Living Waters Spring Fellowship Nights May - June 2016

Fellowship plays a central role in the church, providing a warm and welcoming community in which people are able to get to know each other more intimately and grow together in Christ.

Fellowship is especially important to us as a new church, fostering a sense of a shared identity and protecting the unity that we have in Christ.

To help build community and fellowship, we will be holding a series of **Fellowship Nights** Wednesdays in May and June, beginning **this Wednesday, May 11**. These evenings will provide an opportunity for people to gather in small groups at the Doering home for dessert and conversation. Please sign up for an evening in May or June that works best for you. It would be wonderful if everyone in the parish was able to participate! These events will culminate with an evening for the whole parish to gather and hear Canon Paul Donison, of St. Peter and St. Paul's in Ottawa, give a presentation on the origins and future of the Anglican Network in Canada.
